

Small World Link Host Family Application

Small World Link (*formerly Selnate*) operates homestay programs in Utah Valley for international youth programs and young adult students. We are always looking for new families that are willing to provide this service to an international student. These families do receive compensation for their services. Each host family is generally required to fulfill the following responsibilities, but may depend upon individual program:

- Have a native level English speaking adult living in the home.
- No other foreign students living in the home.
- Assist student in getting to and from school by providing transportation (*or help with public transportation for long term students*).
- Provide student with **own bed** and in some cases bedroom (*long term students must have their own bedroom with locking door and private study area*).
- Provide 3 meals a day, although the family is not responsible to compensate the student for uneaten meals.
- Speak English at all times when the guest is present.
- Involve your guest on outings or weekends.
- Each family must pass a home inspection and simple background check before approval to host can be granted.

If you are interested in becoming a host family, please complete this application, then scan and return it along with a digital picture of your family to homestay@smallworldlink.us (Email or phone is the best way to communicate with us.)

Mail: Small World Link, 125 E. Main Street, #425, American Fork, UT 84003
